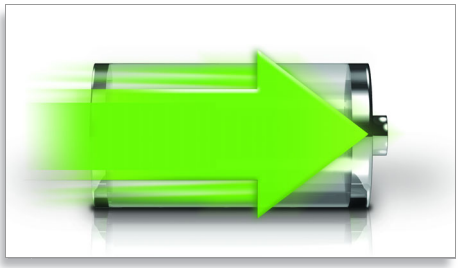
Highlights

Compact 12V USB car charger
The compact car charger plugs into your car's 12V outlet or cigarette lighter, and connects to your device via USB for easy and convenient charging on the road.

Delivers more power



Don't sit around waiting for your device to charge! The higher power output of this charger ensures your device is fully charged in a shorter amount of time compared to standard, less powerful chargers.

Convenient USB wall charger
The compact wall charger plugs into any wall outlet, and connects to your device via USB for easy and convenient charging at home, at the office or while traveling.

Works with USB-based devices
The universal unit has a USB connection for use with your USB-based device via the device's USB cable which you already own or can purchase separately.
